

OUR MISSION

We help Catholic parents pass on the faith with prayer tips and fun animations for children.

ABOUT US

Catholic Stories for Children is a nonprofit aimed at telling short stories, primarily through animation, to help kids learn Catholic prayers, learn about Catholic saints, and to learn other Catholic concepts.

Many kids today are growing up without knowing the core concepts of our faith. Many are learning the prayers without understanding the words they are saying. We hope to help bridge this gap with enjoyable stories, animations and songs. We hope to help kids grow with a strong love of neighbor and God.
