

Easter!

Easter is when we celebrate Jesus conquering death and giving us new life!

Do not be afraid. I am the first and the last, The one who lives. Once I was dead, but now I am alive forever and ever. I hold the keys to death and the netherworld.
-Revelation 1:17-18

Keys of the Netherworld

Celebrate Jesus' holding the keys of the underworld and His victory over sin through His death and resurrection with this maze.

Did You Know?

The term "Easter" comes from Anglo-Saxon roots referring to the rising light of day and the beginning of Spring. Many other languages use the Aramaic root word Paschal (meaning passover) to name the day and season. The term Pascal Mystery refers to the Passion, Death, and Resurrection of Jesus Christ Our Lord.
